WELCOME TO CRYSTAL GROVE!

Come stay n' play with us! Enjoy our quiet, spacious campground by the stream or under the hardwood trees.

We offer Cabins, RV/Camper sites, Tent Sites with or without electricity, something for every type of camper!

Interested in trying your luck at mining your very own crystal? Our Herkimer Diamond Mines are adjacent to our campground, leaving it up to you whether you'd rather take the short walk to the mine, or drive right up to the mining area.

WHAT ARE HERKIMER DIAMONDS?

Herkimer Diamonds are a world-renowned quartz crystal, found only in specific regions in the State of New York. These unusually clear, double-terminated quartz crystals began forming hundreds of millions of years ago and are highly sought after for their beauty and attributes. Bring your own tools, rent ours, break rock or dig in the dirt - mining for Herkimer Diamonds is fun for all ages!

Try Our Sluice, where you can find your own Gemstones from around the World!
